comfort, style and elegance

Our Sensation Woven range is a luxurious addition to the Rim Fabrics stable. Suitable for workstation, screen, partition, divider, and vertical surfaces, Sensation Woven features a textured, corduroy look, with velvet overtones. The inherent fabric quality of Sensation shines through by simply indulging in its touch. The feeler piece below tells the story.

With a beautifully crafted palette of 36 designer chosen colours available ex- stock, workspaces will embrace the feeling of Sensation.

Deep Ocean 943

SENSATION WOVEN

Designed specifically for workstations / screens / panels / partitions and pinboard applications.

Affordable luxury for any office / commercial interior environment.

For a stunning visual effect encompassing comfort, style and elegance, look no further than Sensation Woven.
